CONDITIONS OF CONTRACT TO EXHIBIT

14. Insurance Information

ACM/CHI 2022 will endeavor to assist in the protection of exhibitors by providing 24-hour guard service. However, due to the tremendous value of exhibits, it is impractical and impossible to insure Exhibitors' equipment against loss, theft, damage, and breakage. Neither the Exhibit Building nor any of its employees nor representatives, nor any representative of ACM/CHI 2022, nor any subcontractor will be responsible for any injury, loss, or damage to the Exhibitor, the Exhibitor's employees, or property, however caused. In addition, the Exhibitor must assume responsibility for damage to the Exhibit Building property and indemnify and hold harmless the Exhibit Building from liability, which might ensue from any cause whatsoever, including accidents or injuries to Exhibitors, their guests, or employees. The Exhibitor must also assume responsibility for any accident, injury or property damage any person incurs while viewing his exhibit where such accident, injury, or property damage is caused by the negligence of the Exhibitor, agent, or employees. In view of the foregoing, Exhibitors are urged to place "extra territorial" and other coverage on equipment and exhibits, and arrange for extended public liability insurance with their regular insurance carrier, particularly if they are conducting experiments or demonstrations using heat or high voltage. ACM/CHI 2022 and the ACM/CHI 2022 Exhibits Management will cooperate fully but cannot assume responsibility for damage to Exhibitors' property or lost shipments, either coming into or going out of the premises, or for moving costs. Any damage due to inadequately packed property is Exhibitor's own responsibility. If Exhibit fails to arrive, Exhibitor will nevertheless be responsible for booth rent and no refund will be made. Exhibitors should carry insurance against such risks.

15. Hospitality Events

Hospitality space may be available in designated conference hotels and the Exhibit Building. All hospitality suite functions are required to be registered with the Exhibit Director and cannot conflict with any of the conference courses, plenary sessions, technical sessions, or general receptions. Hospitality space is made available first to conference sponsors and then on a "first come, first served" basis to Exhibitors. Please contact the CHI 2022 Exhibit Director for further information on reserving hospitality space.

16. Cancellation or Termination of Exhibit

If, because of war, fire, strike, Exhibit facility construction or renovation project, government regulation, public catastrophe, Act of God, public enemy, or other cause beyond the control of ACM/CHI 2022, the Exhibition or any part thereof is prevented from being held, is canceled by ACM/CHI 2022, or the Exhibit Space becomes unavailable, ACM/CHI 2022, in its sole discretion, shall determine and refund to the Exhibitor its proportionate share of the balance of the aggregate exhibit fees received which remain after deducting expenses incurred by ACM/CHI 2022 and reasonable compensation to ACM/CHI 2022. In no case shall the amount of refund to Exhibitor exceed the amount of exhibit fee paid.

17. Exhibitor Cancellation

Cancellation of any portion of this Application/Contract by the Exhibitor will be accepted only at the discretion of ACM/CHI 2022 and then only based upon the following refund policy. Prior to 1 March 2022, fifty percent (50%) of the total contract fee will be refunded. After 1 March 2022 no refunds will be given unless space is resold. If the space is resold, fifty percent (50%) of the total contract fee will be refunded. Except as the Exhibitor's rental obligation may be reduced as set forth in the preceding sentence, the Exhibitor is responsible for total booth rental irrespective of the reason for the cancellation by Exhibitor or because of the failure of an Exhibit to arrive for any reason.

18. Exhibitor Conduct

Exhibitor and its representatives shall not congregate or solicit trade in the aisles. The prior written consent of ACM/CHI 2022 is required for the employment or use of any live model, demonstrator, solicitor, or device for the mechanical reproduction of sound. Such employment or use shall be confined to Exhibit Space. ACM/CHI 2022, in its sole and absolute discretion, may withdraw its consent at any time, in which event Exhibitor shall terminate such activity immediately. All promotional plans must be submitted to ACM/CHI 2022 for approval. Distribution of pamphlets, brochures, or any advertising matter must be confined to the Exhibit Space. Exhibitor is prohibited from bringing alcoholic beverages into the Exhibit Area. Exhibitor shall refrain from any action that will distract attendees from attendance at the Exhibit during open hours. Exhibitor shall not lead attendees from one Exhibit Space to another or to elevators or escalators. Exhibitor or any of its representatives shall not conduct itself in a manner offensive to standards of decency or good taste.

19. Photographs

No photographs shall be taken without prior consent of ACM/CHI 2022 and the Exhibitors involved.

20. Registration Lists

ACM/CHI 2022 will provide a one-time use registration list of "opted in" participants (postal addresses only) to Exhibitor, if requested by Exhibitor on the Application/Contract. A list is available 3 weeks prior to the conference or 3 weeks after it. Exhibitor must indicate which list is preferred on the Application/Contract. It is understood that the list is postal addresses only for a single use. Exhibitor agrees not to sell, lend or give lists to any parties outside of Exhibitor's organization.

21. Insurance Requirements

All exhibitors participating in the CHI 2022 Exhibition are required to obtain a general public liability insurance in the amount of one million dollars (\$1,000,000 USD) per occurrence. ACM/CHI 2022 and Convention Center shall be named as additional insureds on the general liability policy. Such insurance maintained by the exhibitor must be issued by an insurance company with an A.M. Best rating of A- or higher and shall include coverage of the indemnification obligations of the exhibitor under these rules and regulations. Each exhibitor is also required to carry workers compensation protecting employees in accordance with the laws of the state or province in which the exhibition is being held. Nothing in this paragraph shall limit the amount of liability an exhibitor may be responsible for.

22. Agreement to Conditions of Contract to Exhibit

Exhibitor agrees to observe and abide by the foregoing Conditions of Contract to Exhibit and by such additional Conditions of Contract made by ACM/CHI 2022 from time to time for the efficient or safe operation of the Exhibit including, but not limited to, those contained in this contract. In addition to ACM/CHI 2022's right to close an Exhibit and withdraw its acceptance of this Application/Contract, ACM/CHI 2022, in its sole judgment, may refuse to consider for participation in future Exhibits an Exhibitor who violates or fails to abide by all such Conditions of Contract to Exhibit set forth in the Application/Contract. There is no other agreement or warranty between the Exhibitor and ACM/CHI 2022 except as set forth in this document. The rights of ACM/CHI 2022 under this contract shall not be deemed waived except as specifically stated in writing and signed by an authorized representative of ACM/CHI 2022.

EXHIBIT SPACE APPLICATION/CONTRACT

Agreement: Exhibitor hereby requests space at the ACM/CHI 2022 Conference and Exhibition to be held at the Ernest N. Morial Convention Center in New Orleans, Louisiana, USA from 2–5 May 2022. Acceptance of this Application/Contract by ACM/CHI 2022 converts it to a full contract for exhibits, and shall be considered a binding agreement between the Exhibitor and ACM/CHI 2022.
